

CORPORATE POLICY STATEMENT

ROMAR International aims to satisfy and where possible to exceed their clients' expectations by providing quality products and services.

ROMAR International retains the following key objectives:

- Develop an Integrated Management System that will comply with requirements and lead to continual improvement in all areas of our operations.
- By clearly defining aims and objectives, be able to train and develop the competence of our people to the standard required for delivery of a first class quality service to clients while demonstrating our commitment to health, safety and the environment.
- Ensure confidentiality of information, including that provided by our clients and suppliers.
- Identify and comply with all relevant legislation and other requirements to which we subscribe.
- Assess the environmental impact of our key processes, products or services and by careful use of materials and resources, to reduce waste to the minimum level.
- Provide safe and healthy working environment and facilities for our staff with a commitment to prevent injury and ill health at source and to develop a health and safety awareness culture throughout the organisation. Also to ensure the health and safety of clients, sub contractors and other persons who may be affected by our activities
- Conduct our activities responsibly and in a manner that will protect from harm our staff, the public and the environment.
- Ensure that all employees are competent in the duties they are required to execute, to be made aware of their statutory duties and to take reasonable care of themselves, others and the environment.

ROMAR International will achieve these aims, and meet their business objectives, through the development of an Integrated Management System and an effective, reliable and robust communication system, and by measuring all aspects of our business for compliance and ongoing improvement.
